

# OFF THE WALL™

## A GAME WITH UNIVERSAL APPEAL!

Here's the fun new game for players of all ages — OFF THE WALL!

For one or two players, OFF THE WALL is simple to play, difficult to master, and impossible to resist! Hit the speeding ball into the Exit to advance to the next level — there are over 50 levels! That's easier said than done, as loads of bricks surround the Exit. Using paddles, players nudge the ball (or balls) into the bricks to destroy them. All that pinging and zooming will make your players bounce OFF THE WALL!
